- Not take holidays during term time.

### During Lessons:

### Y13 Progression and Attainment:

If your attendance/attitude/progress/attainment is not in line with the Partnership expectations the Partnership reserves the right to withhold progression into Y13 and repeat Y12.

If by the end of Y13 Spring half term it looks unlikely that you will achieve a grade at A-level, the sixth form reserves the right to enter you for an AS.

You will be required to pay for any re-sits, at the discretion of the Partnership.

## Dress Code

Although we do not expect sixth formers to wear uniform, we do expect a certain standard of dress. You are representatives of your school and role models within the school community.

Students could be refused entry to classrooms or Partnership schools if they are not dressed appropriately.

### Dress Code:

Clothes should be suitable for a business/work environment therefore they should not be offensive or embarrassing to others:

- Trousers/jeans should be smart/casual, this does not allow rips/holes in jeans, tracksuits or sports leggings (unless required by the subject e.g. A level PE);
- There should be no offensive slogans on clothing;
- Skirts, shorts and tops should be of a suitable length, cropped tops are not permitted;
- Shoes should be of a sensible design;
- Casual headwear is not permitted within the school building.

This dress code applies to all members of the Stafford 14-19 Partnership.

## Learner Agreement

As members of the Stafford Sixth Form all students have rights and responsibilities. These are:

### Rights

- To be treated with respect, courtesy and consideration.
- To be provided with high quality lessons following structured programmes of study.
- To be set regular assessments, which will be returned within two weeks with constructive feedback explaining how to make further progress.
- To provide parents with one annual report and a review on progress.
- To be provided with a safe, stimulating and appropriate environment in which to study.
- To have opportunities to feedback any concerns about any aspect of courses.
- To be offered information, advice and guidance through a tutorial programme to support with transition to the next stage of education or employment.

### Responsibilities

- To treat others and their property with respect and consideration.
- To dress appropriately, avoiding clothing which may be deemed offensive or inappropriate in a learning environment.
- To ensure punctual attendance to all lessons and reporting any legitimate absence to the appropriate people.\*
- To show commitment and enthusiasm, working to full potential and meeting all deadlines set for work.
- To use Private Study time to develop work started in lessons and not to undertake employment during timetabled time.
- To abide by all relevant policies on use of Internet, Mobile Phones, Smoking and Student Discipline that are relevant to each partner institution.
- To wear visible photo-ID at all times.

Failure to meet these responsibilities will be a breach of the Behaviour Policy for which sanctions will be imposed.

Persistently breaching these requirements in a way that seriously harms your education will put you at risk of permanent exclusion.

\* Holidays should not be taken in term-time; overall attendance of less than 92% on a course may lead to non-entry in that subject.

## Transition Challenge

Every Y12 student will be expected to complete a transition challenge in each of your chosen subjects at the beginning of the course in September. The challenge will be an independent piece of work that is marked by the class teacher and is designed to prepare you for the step up to A-level study, and the challenges you may face. It is a crucial piece of work to show your teacher your commitment to the course and an opportunity for you to embrace your studies.

The transition challenge will either be passed or failed and teachers will report back to parents/carers in your first review on the effort applied to completing the task.

Should you not pass the transition challenge then your teacher will inform your head of sixth form who will discuss this with you and the action required moving forward. You may be set additional work to complete, your parents/carer may be invited in to discuss the results, and you could be placed on a contract depending on the circumstances. In some cases your suitability for the course may be questioned.

## Wellbeing, Welfare and Safeguarding

The safety and wellbeing of all of our students and staff is of utmost importance at The Stafford 14-19 Partnership. We fully comprehend our responsibility to promote the welfare of all young people and to keep them safe. We believe that ensuring our students feel safe is fundamental in enabling them to achieve their potential both socially and academically. We are committed to providing an environment students in which they can learn, develop and achieve, and where they are safeguarded, supported and are enabled to disclose if they are being harmed in some way.

Things that may affect your wellbeing include: physical, emotional and mental health concerns, self-harm, low self-esteem, stress, anger, bullying, family problems and inappropriate adult behaviour.

If you have any concerns that may affect your wellbeing, welfare or safety please speak to your Head of Sixth Form or contact our safeguarding team immediately.
